

IDS NZ WORKSHOPS AND TRAINING REGISTRATION NOW OPEN

IDS in collaboration with Deighton is proud to present
the NZ dTIMS Workshops and Training 2011

IDS Ltd
Assisting with Infrastructure Decisions

Who should attend?

Day 1 – A conference for infrastructure asset managers and dTIMS users and clients

Day 2 – Workshop/Seminar for infrastructure asset managers and dTIMS users and clients

Day 3 – Hands on Training/Refresher for dTIMS for new users, asset managers and clients

**Register
Now**

**Register online at
www.ids.org.nz
by 21 Oct 2011
or complete the attached form**

There will also be presentations highlighting modelling and analyses done as part of the latest 3 year funding round.

Rotorua:

31 October – 2 November at the Distinction Rotorua Hotel and Conference Centre.

Dunedin:

2 November – 4 November at the Scenic Circle Southern Cross Hotel.

Programme on page 2.

Deighton is visiting from Canada and presenting the latest updates and future development for dTIMS. This will include updates on Workflow. Workflow makes it easier for Clients to run dTIMS analyses and budget scenarios utilising the setup established typically by their consultant. We will also be discussing upcoming improvements including the change to the dTIMS enterprise version and the advantages this brings.

Workgroup Discussions:

Discussions will centre around how we make best use of the opportunity Workflow brings for Clients and within modeling teams. We will look at in more detail the implications and advantages of the dTIMS enterprise version.

These topics will be alongside continuing discussions about best practice and how we can implement and use dTIMS better.

IDS NZ WORKSHOPS AND TRAINING

Day 1 (Rotorua-31 October, Dunedin-2 November)

9:00 – 9:30

Registration and Coffee

Welcome and Introduction

Keynote Speaker: Deighton on dTIMS Updates, including International best case studies
